Vatika Business Centre has announced the launch of their new flexible office space in the popular business hub of Sector 62, Noida. The project will be spread over 24,500 sq ft. The project will have strong business support services and a live cooking cafe, Breathe. The centre will be equipped with 400 seats, meeting rooms, office suites, and walkthrough areas to make the work experience seamless.

The developers believe that the new launch will help meet the rising demand for flexible office spaces post-COVID, as corporates are now looking for hybrid workspaces and Grade A offices to ease the transition from home to office spaces.
